Co-chairs Rebecca Reed Kantrowitz and Diane Lyden Murphy welcomed the group. Members introduced themselves.

Minutes from the September 25, 2017 were approved.

There was discussion about the mumps outbreak on campus. Rebecca Dayton gave an update on our coordinated response process.

Katelyn Cowen introduced Michelle Goode, Health Promotion Specialist from the Office of Health Promotion and Jason Nova, Program Coordinator from the Office of Fraternity and Sorority Affairs, who presented the Be Orange Workshop, an interactive dialogue about the complexities of sexual violence prevention and being an empowered bystander.

Abby Perer gave an update on OCR and other sexual assault-related cases, and reported that Syracuse University is in compliance with Enough Is Enough regulations.

Pam Peter reported that the Office of Student Rights and Responsibilities are completing hearings related to last year's Title IX cases and are beginning to address cases that were reported over the summer.

Emily Durand gave a brief update on the It's On Us Week of Action and stated that the program reached a large number of people on campus.

Reed Kantrowitz and Murphy shared the sub-committee assignments. The sub-committee chairs will schedule meetings in the near future. Sub-committees should plan to meet at least twice before the next general meeting.

Meeting adjourned at 5:00 pm
